Every effort is made by Smallville Chihuahas (Seller) to insure that the puppy is delivered in a healthy and sound condition. The puppy will come with a Health Certificate and a Full Veterinarian Exam as well as the Vaccination/Worming, registration papers, and a Puppy Pak. The cost of the puppy does **NOT** include shipping costs.

All expenses incurred after the puppy leaves the Seller, medical or otherwise, are the responsibility of the Buyer. By reading and signing this document, both Seller and Buyer enter into this agreement in the purchase of the above named and identified puppy.

If the puppy has a life-threatening congenital or hereditary defect which has been diagnosed or examined by 2 unassociated veterinarians to seriously impact the quality of life, or warrant euthanasia, or require continuous medical treatment throughout the course of the puppy's life; the Seller will provide the Buyer with this option: the Buyer **MUST** return the puppy to us, we will replace the puppy. All papers must be signed with a transfer to the Seller. Please note that many disorders that would be a major problem in other breeds *may not* be considered hereditary. The Seller is not responsible for miscellaneous problems such

as: hypoglycemia, coccidiosis, guardia, parasites, types of bacterial infections, and certain disorders that may be caused by environmental factors, i.e.: allergies, thyroid dysfunction, demodectic mange and other autoimmune disorders. The veterinarian will repair all hernias (naval & inguinal) before leaving if found through the full health exam. Hernia repairs nor cherry eyes, bites and the such do not warrant puppy replacement as it is not life-threatening and in no way interferes with the quality of life of the puppy. There is *no guarantee* by the Seller of breeding abilities, show quality, size, coat quality, temperament or adaptability.

To keep this Guarantee in force: The Buyer agrees to have the puppy examined by a licensed veterinarian within **48 hours** of delivery; provide the puppy with routine preventive care, such as, but not limited to: vaccinations, wormings and annual health checks. The Buyer understands that he/she is responsible for all costs associated with but not limited to any medical treatment upon delivery.

The Buyer has received and read the literature provided by the Seller concerning "Puppy Care" and understands the Seller is not responsible for hypoglycemia or diagnosis of coccidiosis, Guardia or other types of bacterial infections as the Seller has no ability to administer any type of care once the puppy leaves the Seller.

The Buyer agrees to RELEASE and FOREVER DISCHARGE Smallville Chihuahuas its directors, successors and assigns, and all persons on its staff who are in any way directly or indirectly connected with said purchase from all damages and causes of action, either by law or in equity, which Buyer may have or acquire or which may accrue to Buyer and/or Buyer's heirs, administrators, executors, personal representatives, successors or assigns, as a result of the purchase arising herein.
